## EDUCATION

---

**Rutgers University, New Brunswick, NJ**

*September 2019 - January 2024*

B.A. - Information Technology and Informatics, Minor in Computer Science

## EXPERIENCE

---

**GNC**

*May 2022 - January 2023*

*Software Engineer Intern*

Optimized inventory program used across all retail locations down to 4.8% of previous runtime within .NET framework, spearheaded testing for newly integrated 3rd party features within Salesforce service cloud using Java, and corrected visibility issues regarding search engine optimization. All completed utilizing Agile development process.

**Rutgers University, NJ**

*January 2022 - Present*

*Teaching Assistant*

Proctoring, grading, and providing assignment support for students enrolled in two Java intensive classes: Data Structures and Intro to Computer Science under the Computer Science Department.

**Rutgers University, NJ**

*July 2021 - August 2022*

*Office of Information Technology Consultant*

Patron assistance, troubleshooting, providing support for computer labs, student centers, and libraries, diagnosing and solving network errors.

## PERSONAL PROJECTS

---

**Portfolio Website**

*Javascript, React, Vite, Tailwind*

Website built with React and Vite and designed with TailwindCSS. Serves as a central hub for my academic, career, and personal experiences with development.

**Movie Reviewer**

*Java, Spring, React, MongoDB*

Web application developed in Java within the Spring framework with the user-facing frontend created with React. MongoDB Atlas serves as the database technology that allows users to review and comment on popular movies.

## SKILLS

---

Java, Spring, C#, MySQL, Python, JavaScript, React, Git, AWS, Linux

## EXTRA-CURRICULARS AND RELEVANT COURSEWORK

---

Member of Rutgers Competitive Programming club and Undergraduate Alliance of Computer Scientists.

Intro CS, Data Structures, Object Oriented Programming, Software Methodology, Computer Architecture, Advanced Web Design, Data Analysis, Databases, Computational Robotics
